Our school is in the centre of New York City. It is big and beautiful. Our school has a computer room and a library. The computer room is on the second floor. You go upstairs, and it is on the left. The library is on the second floor, too. You go past the computer room, and it is on the right. The library is my favourite room. I often read books there at break time.

2. When you go upstairs, the computer room is on the left.
3. There is a library on the third floor.
4. You go past the computer room, and you can see the library on the right.
