

SPEAK ABOUT DREAM JOB

Sample 1

My dream is to
become an English teacher.

I chose this job because English is my favorite subject. Also, my parents are teachers and they hope I will be like them. Today, English is extremely important to find job opportunities in a good environment. It gradually became a second language. I feel that being an English teacher is the right thing to do. I will teach students how to learn English well. I will help you develop four skills: listening, speaking, reading, and writing. I am trying hard to study well to pass the university exam. I will try my best to become an English teacher in the future.

SPEAK ABOUT DREAM JOB

Sample 2

I've always dreamed of becoming a professional soccer player. I watch soccer a lot and have been passionate about it since I was a kid. David Beckham, Cristiano Ronaldo, Lionel Messi are my idols and they are the ones who inspired me to football. I regularly practice with my dad at the family garden. I always exercise and pass the ball to improve my character. In the future, I will try to join a school for young players. I hope that will be the first step towards making my dream come true.

SPEAK ABOUT DREAM JOB

Sample 3

Becoming a lawyer is my biggest dream. To be honest, there are many reasons why I choose a lawyer as my future job. First, I happened to be watching a lawyer program. They can protect the interests of the poor, bring justice to the innocent, ... I see that this is very wonderful and right. Second, if I become a lawyer, I can also protect my family and the people I love. Therefore, in order to fulfill my dream, I tried hard to get into Law University. After that, I will aim to graduate with a good diploma. I know that lawyers are a high-pressure field with many challenges. But I love and will forever choose this job. I will fulfill my life's dream!
